It is official!

***THE LAND IS
PAID OFF!!!!***

*Yeah, I know, I
misspelled Baptist*

We had a great time Sunday at the note burning! After a great message from Bro. Steve Jacobs, we had the first INTERNATIONAL church service. With technical assistance from Scott Cook, we got internet access to Bro. Rubio and *Iglesia Misionera Bautista* “***El Redil***” in Ecuador and they participated in the note burning LIVE. It took some time for us to see them, but when we did, you would have thought the Razorbacks had scored, everyone in First Landmark and ***El Redil*** let out a yell. It was great!!!!

This is a live shot from the screen. Flash pictures didn't take well. Real picture was much clearer.
