Reporte Noviembre 2015

Construction of the new temple: thanks to the Lord for giving us the blessing of a new building for the Church; construction progress up to 85%, we managed a budget of \$ 48,000, it is necessary to finish the windows, doors, bathrooms, electrical installations, water facilities, ceramic floor, ceiling, painting, etc. The budget to finish the construction is \$15,000. We trust in God and his provision, the has always been faithful.

We thank all the brothers who have supported this work, especially in the First Landmark MBC from Clarksville to be a church with love for the work missionary in Ecuador, also the Association Mount Hope, all the friends' churches and brothers that make possible this work of blessing to Ecuador and Latin America.

Our commitment is to continue working to establish new churches and help believers to serve our Lord Jesus Christ; We want to see the glory of God in the lives of many families.

SEMINARIO LATINOAMERICANO MISIONERO BAUTISTA Sede Ibarra-Ecuador

The past October 30, graduated 29 students from the first level of studies at the seminar "Basic doctrine and Christian education"

We continue with the project place the seminar online classes, we are organizing the classroom and equipment required for this challenge, the purpose is to put in the hands of all those who wish to train to serve the Lord, tools and training biblical-doctrinal - practical in evangelism, discipleship, leadership and New Testament church planting; using technology and electronic media that are a great help to get to places where it is impossible to go in a personal way (internet, social networks, classes on video, video conferencing and other means).

This idea was born in the heart of our brother James Harold Gage for over 15 years and we have been working on computer to record classes in video, now we need to change the WMV format to MPG4 which is compatible with all internet browsers and new electronic equipment that are on the market. This is the link to the web page of the seminar <http://www.lamb-seminary.com/>

Missions: Crews at different points missionaries continue advancing, we plan to have a seminar for church planters in the month of January 2016.

Your prayers and support make it possible this work and give honor and glory to God...

***Thank you for your love, in Christ your servant,
Edgar A. Rubio
